**Scientific American Medicine** Edward Rubenstein, Daniel D. Federman

This reference contains the most up-to-date information on all areas of medicine by having updates throughout the year of subscription. The authors of "Scientific American Medicine" continually monitor and revise this resource, incorporating new findings on preventions, diagnosis, treatment and pathology. It is designed as a comprehensive and complete medical resource, of use to physicians, residents, students and research scientists. All the latest findings are included in the regular updates, often only weeks after their occurrence. In the print edition between seven and ten chapters are revised monthly by medical authorities, and each is accompanied by a completely new index to avoid the confusion supplements.
