These are six gorgeous additions to the new "Usborne Sticker Stories" series, which combine a storybook, sticker book and puzzle book in one. Each title takes as its subject a traditional fairytale that is retold for young children in amusing and utterly captivating fashion. They are illustrated with inimitable flair by Stephen Cartwright, one of Usborne's most popular artists who also illustrated the phenomenally successful "Farmyard" Tales series. Each book contains over fifty stickers that can be used throughout the story to replace key words and help young children build their vocabulary.
