A New Critical History of Old English Literature Stanley B. Greenfield, Daniel G. Calder

Anglo-Saxon prose and poetry is, without question, the major literary achievement of the early Middle Ages (c. 700-1100). In no other vernacular language does such a vast store of verbal treasures exist for so extended a period of time. For twenty years the definitive guide to that literature has been Stanley B. Greenfield's 1965 *Critical History of Old English Literature*. Now this classic has been extensively revised and updated to make it more valuable than ever to both the student and scholar.
