Years of martial arts training never prepared nineteen-year-old Alysia Knight for the battle she has to face. War is raging in the streets of New Jersey, and surviving the apocalypse means staying clear of monsters preying on the citizens. But all this will be the least of her worries when her parents become targets.

Death is inevitable, unless Alysia can muster up the courage and hone her abilities to defeat all that stands in her way. If not, she may end up losing more than her parents.
