Emergency Medicine: The principles of practice, 5th edition is a practical guide to assist doctors and other health professionals with patients presenting with acute problems. With contributions from over 60 eminent emergency physicians, doctors and other health professionals, the book provides the most up-to-date coverage of treatment and management in acute medical care including resuscitation, diagnosis, investigations, treatment and further care.

Emergency Medicine, 5th edition contains essential information and provides a quick reference tool for emergency physicians, hospital residents, paramedics, ambulance officers, nurses and general practitioners, as well as students of these disciplines.

- Coverage of important controversies with evidence based recommendations.
- Editor comments contained in relevant chapters to provide clinical tips and advice for practice.
- Increased coverage of topical issues such as deep vein thrombosis (economy class syndrome) and street drugs.
- Practical rapid reference appendix.
- Detailed glossary and index.

- Expanded coverage of ultrasound in emergency medicine
- New BLS/ALS guidelines
- Expanded coverage of administration and management
- New material on envenomation and psychiatry
- New chapter on rural, indigenous and remote emergencies
- New chapter on advanced nursing roles
- New chapter on students guide to the emergency term
- New chapter structure design to minimize repetition; reorganized hierarchy to highlight important information; pearls & pitfalls in boxed out sections integrated throughout text; differential diagnosis summary tables and flow diagrams at the end of each chapter

From reader reviews:

Kathleen Young:

Book is to be different for each grade. Book for children until adult are different content. As it is known to us that book is very important for us. The book Emergency Medicine: The principles of practice, 5e had been making you to know about other expertise and of course you can take more information. It is rather advantages for you. The guide Emergency Medicine: The principles of practice, 5e is not only giving you more new information but also to be your friend when you truly feel bored. You can spend your personal spend time to read your guide. Try to make relationship using the book Emergency Medicine: The principles of practice, 5e. You never feel lose out for everything in case you read some books.

Billie Gould:

That reserve can make you to feel relax. This specific book Emergency Medicine: The principles of practice, 5e was colourful and of course has pictures on the website. As we know that book Emergency Medicine: The principles of practice, 5e has many kinds or variety. Start from kids until youngsters. For example Naruto or Investigation company Conan you can read and think that you are the character on there. Therefore not at all of book tend to be make you bored, any it offers up you feel happy, fun and unwind. Try to choose the best book to suit your needs and try to like reading this.

Randal Gore:

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just minor students that has reading's spirit or real their hobby. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Emergency Medicine: The principles of practice, 5e can make you experience more interested to read.

Christopher Walker:

E-book is one of source of understanding. We can add our know-how from it. Not only for students but native or citizen need book to know the upgrade information of year to year. As we know those textbooks have many advantages. Beside all of us add our knowledge, could also bring us to around the world. From the book Emergency Medicine: The principles of practice, 5e we can get more advantage. Don't you to definitely be creative people? To get creative person must want to read a book. Merely choose the best book that acceptable with your aim. Don't end up being doubt to change your life at this time book Emergency Medicine: The principles of practice, 5e. You can more pleasing than now.
