Introduction to International and Global Studies, Second Edition

Shawn C. Smallman, Kimberley Brown

Introduction to International and Global Studies, Second Edition Shawn C. Smallman, Kimberley Brown

This innovative introduction to international and global studies, updated and revised in a new edition, offers instructors in the social sciences and humanities a core textbook for teaching undergraduates in this rapidly growing field. Encompassing the latest scholarship in what is a markedly interdisciplinary endeavor, Shawn Smallman and Kimberley Brown introduce key concepts, themes, and issues and then examine each in lively chapters on essential topics that include the history of globalization; economic, political, and cultural globalization; security, energy, and development; health; agriculture and food; and the environment. Within these topics, the authors explore such timely and pressing subjects as commodity chains, labor (including present-day slavery), human rights, multinational corporations, and the connections among them.

New to this edition:

- * The latest research on debates over privacy rights and surveillance since Edward Snowden's disclosures
- * Updates on significant political and economic developments throughout the world, including a new case study of European Union, Icelandic, and Greek responses to the 2008 fiscal crisis
- * The newest information about the rise of fracking, the Fukushima nuclear disaster, the decline of the Peak Oil movement, and climate change, including the latter's effects on the Arctic and Antarctica
- * A dedicated website with authors' blog and a teaching tab with syllabi, class activities, and well-designed, classroom-tested resources
- * An updated teacher's manual available online, including sample examination questions, additional resources for each chapter, and special assistance for teaching ESL students
- * Updated career advice for international studies majors

From reader reviews:

Archie Williams:

Do you one among people who can't read gratifying if the sentence chained inside the straightway, hold on guys that aren't like that. This Introduction to International and Global Studies, Second Edition book is readable through you who hate those straight word style. You will find the information here are arrange for enjoyable looking at experience without leaving even decrease the knowledge that want to provide to you. The writer of Introduction to International and Global Studies, Second Edition content conveys the thought easily to understand by most people. The printed and e-book are not different in the written content but it just different in the form of it. So , do you still thinking Introduction to International and Global Studies, Second Edition is not loveable to be your top record reading book?

Dennis Taylor:

Playing with family inside a park, coming to see the ocean world or hanging out with good friends is thing that usually you may have done when you have spare time, in that case why you don't try thing that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love Introduction to International and Global Studies, Second Edition, you could enjoy both. It is great combination right, you still desire to miss it? What kind of hang type is it? Oh come on its mind hangout people. What? Still don't understand it, oh come on its known as reading friends.

Joseph Alderete:

This Introduction to International and Global Studies, Second Edition is new way for you who has intense curiosity to look for some information mainly because it relief your hunger of information. Getting deeper you upon it getting knowledge more you know or perhaps you who still having little digest in reading this Introduction to International and Global Studies, Second Edition can be the light food in your case because the information inside this kind of book is easy to get by anyone. These books acquire itself in the form which can be reachable by anyone, yep I mean in the e-book contact form. People who think that in book form make them feel sleepy even dizzy this publication is the answer. So you cannot find any in reading a e-book especially this one. You can find actually looking for. It should be here for anyone. So , don't miss the item! Just read this e-book sort for your better life and also knowledge.

John Wilson:

As a student exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some reserve, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know

that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Introduction to International and Global Studies, Second Edition can make you experience more interested to read.
