## **Invitation to Psychology, MyLab Edition, Fourth Edition** Carole Wade, Carol Tavris

Through lively writing and stimulating examples, authors Wade and Tavris invite readers to actively explore the field of psychology and the fundamentals of critical and scientific thinking. *Invitation to Psychology* presents the science of psychology according to six areas of the learner's experience: Your Self, Your Body, Your Mind, Your Environment, Your Mental Health, and Your Life. This unique organization engages readers from the very beginning and gives them a framework for thinking about human behavior.

Incorporating many active learning and critical thinking features, a balance of classic and contemporary research, and thorough integration of the psychology of women and men of all cultures, readers will learn much to take with them. For individuals seeking an introduction to psychology. Comes automatically with MyPsychLab, a robust online assessment resource which allows instructors to assess student progress and adapt course content to meet the needs of their class. MyPsychLab allows students to diagnose their progress and provides them with a variety of customizable resources to assist with their mastery of course concepts
