Magic Color Skeleton: Amazing Dinosaur Discovery Shaheen Bilgrami

Hurry up, let's go--we're taking a trip to the dinosaur museum with Tom and his dad! And, Tom loves dinosaurs, so he has a scrapbook full of facts that you can look at, too. What will you see today? There's long-horned triceratops--and vegetarian stegosaurus with big bones all down his back. Hey--get a good look at the crested corythosaurus, apatosaurus with his large body and small head, and Tom's favorite: the mighty, sharp-toothed T rex. But, they're just bones--so it's up to you to make these prehistoric beasts appear in all their glory. And, the tab's the only magic wand you'll need.
