This unique book is written to those who want to be free from abuse, porn and buying sex with the message that no matter who you are, what you've done or how addicted you are, there is hope in Jesus Christ. In addition to this target market, Christians caught in porn can greatly benefit from this book. Included are articles from men who have struggled and found victory, letters from survivors, and helpful practical steps toward freedom. The book offers reflective questions throughout and a salvation prayer, much like a personal altar call. A website called Going Under the Covers has been developed which includes sample chapters, continuous blogging of various articles and insights for further education.
