Latin American Popular Culture

Arthur A. Natella Jr.

Latin American Popular Culture Arthur A. Natella Jr.

This book details many aspects of Latin American culture as experienced by millions of people living in Central and South America. The author argues that despite early and considerable European influences on the region, indigenous Latin American traditions still characterize much of the social and artistic heritage of the Latin American countries. Several chapters provide detailed accounts of daily life, including descriptions of contemporary dress, mealtime traditions, transportation, and traditional ways of conducting business. Other chapters focus on the cultural significance of the popular music, art, and literature prevalent in each Latin American country.
