Lucifer: The Devil in the Middle Ages (Cornell Paperbacks)

Jeffrey Burton Russell

Lucifer: The Devil in the Middle Ages (Cornell Paperbacks) Jeffrey Burton Russell

If, as Chesterton claimed, the devil's greatest triumph was convincing the modern world that he does not exist, Jeffrey Burton Russell means to rob him of his victory. *Lucifer: The Devil in the Middle Ages* is both a scholarly assessment of the development of diabolology in the Middle Ages and an impassioned plea to the 20th century to recognize and acknowledge the existence of real, objective evil. The third in a series of works tracing the history of the devil from his Judeo-Christian roots, it represents a formidable undertaking: the devil's history is integrally related to the problem of evil, which is in turn at the heart of Western religious thought. Each of the volumes on Satan comprises, in essence, a judicious and able tour of Christian theology from the villain's point of view.
