Nancy, I'm Confused Jon Gooderham

Nancy is emotional. And drunk. Again. Sidney is challenged. And confused. Again. With friendship renewed, a year of their lives is captured through their email exchange. They confide in each other over their insecurities and frustrations about life and love. They share their wisdom and express their emotional thoughts. Sidney gets excited about Kylie. Nancy ponders about a new job. Sidney adores her sexy left eyebrow. Nancy drinks. Featuring the escapades of a grubby old towel, a collapsed ceiling and a fluffy damp flannel, each email begins with an ambiguous song lyric and ends with a stupid person sign-off. It's a story full of drivel and dribble. A bit like Sidney really.
