No one ever accused Jonathan Conrad of being shy or modest – but the white **alpha billionaire** has made his fortune being that way and so he makes no apologies. He's a man with grand desires, and a strong belief that the world would benefit from his spreading his gene pool around. Just about the only thing he doesn't want, though, is a family.

So when he makes a **positively indecent proposal** to his young and **curvy black assistant**, it's not the typical exchange. He isn't looking for just sex. He wants to do it **hard, fast, and without protection** so that she might bear his child. And if she includes her **beautiful black friend** as well, that would double their chances.

The only question is, what will it take to get the two women to agree to a deal to provide him with an heir to his fortune?
