This bibliography and resource consists of a chronological introduction to the development of Lewis's works, a copious bibliography and a guide to the study of Lewis, an introductory essay on Christology in Lewis, and a glossary for those unfamiliar with some of the background and terms to Lewis's understanding of revelation and the Christ. It will be an invaluable resource for all scholars of C. S. Lewis. The bibliography stands alone but it also serves to complement the three volumes of the series C. S. Lewis, Revelation, and the Christ.
