Spend Less: How To Save Good Money On Household Expenses... Every Month!: Spend Less Money, Save More Money and Still Live Well! (Frugal Living Series Book 3) Alice Clear

Budget your money successfully and save on all of your household expenses!

Do you struggle to make it from one paycheck to the next or do you find that the majority of your money is going out in household expenses? Although it can be frustrating if you are experiencing this difficulty, there are solutions available to help you to manage your money properly. That is what this publication was designed to do, to assist you in getting on the right track so that you can be financially stable.

Throughout the pages of this publication, you will learn many factors that will allow you to save money on your household expenses. From understanding how to set up a budget, to learning about specific parts of the budget that can be modified, it will all be laid out for you in clear, easy-to-understand language. You will also learn more about the following topics in great detail...

1. When you need to save Money – When it is time to start saving money and cutting down on household expenses, this chapter can point you in the right direction and get you started successfully.
2. Why save Money? Beyond Benefits – From the obvious to the obscure, we will look at the benefits that you will experience when you cut down on your bills.
3. The Primary Key to Savings - The Budget – Without your budget, you're not going to get very far with cutting down on expenses. This chapter tells you how to create a budget that will allow you to experience the most benefit.
4. Saving Money on Housing Expenses – The housing expenses are typically the largest expense, but there are things that you can do to cut it down to size.
5. Are Utility Prices Killing Your Budget? – Did you realize that it is often possible to adjust your utility bills? This chapter shows you how!
6. Save Money on Food without Starving Yourself – All of us enjoy eating, but we don't necessarily enjoy our high food bill. If you want to save money on food and to do so conveniently, this chapter can help.
7. Cable TV - Internet and the Cell Phone – We live in an electronically connected world and this chapter can help you to do so on a budget.
8. Killing the Credit Card Monster – One of the most important things to do when cutting household expenses is to get a grip on your credit card expenses.
9. Getting the Family Involved – When your family is involved, everyone will benefit from the changes.

10. Infusing the Family Budget with More Money – it is also possible to adjust your household expenses by increasing your income. This chapter provides you with the solution that you need.

And much, much more...

Don't allow high household expenses to hold you down. This publication can be your guide for getting started and for successfully working your way through managing your budget and your life.
