Dominique is a typical teen in a boring Texas town where the most exciting thing is the annual turnip green festival. When the charismatic Caden Hanover enrolls in her high school, her life takes a heart-pounding turn. From the moment she sees Caden, she is irresistibly drawn to him. She has no idea that not only is he a vampire, but that he knows she is the reincarnation of his human wife—the wife he hasn't seen in almost two hundred years. He is determined to reestablish their passionate love. He won't stop until he claims Dominique as his own—and eventually makes her his vampire bride. A teen vampire romance, *Sweet Savage Blood*, is the story of undying love sweeping across time from the 19th to the 21st century. Note: This is the complete book including all three of parts, Reunion, Revelations and Blood Ties.
