Emil Schürer's *Geschichte des jüdischen Volkes im Zeitalter Jesu Christi*, originally published in German between 1874 and 1909 and in English between 1885 and 1891, is a critical presentation of Jewish history, institutions, and literature from 175 B.C. to A.D. 135. It has rendered invaluable services to scholars for nearly a century.

The present work offers a fresh translation and a revision of the entire subject-matter. The bibliographies have been rejuvenated and supplemented; the sources are presented according to the latest scholarly editions; and all the new archaeological, epigraphical, numismatic and literary evidence, including the Dead Sea Scrolls and the Bar Kokhba documents, has been introduced into the survey. Account has also been taken of the progress in historical research, both in the classical and Jewish fields. This work reminds students of the profound debt owed to nineteenth-century learning, setting it within a wider framework of contemporary knowledge, and provides a foundation on which future historians of Judaism in the age of Jesus may build.
