Educational Psychology: Theory and Practice

Robert E. Slavin

Educational Psychology: Theory and Practice Robert E. Slavin

The fourth edition of this introductory text combines current theory, research and practical teaching applications with a new emphasis on self-regulated learning and constructive theories of learning. With its new, integrated pedagogical structure, this edition is designed to help students understand that applying the principles of education psychology does help people learn. The book features expanded coverage which now includes over 50 theory-into-practice sessions.
