Allan Pred

**Even in Sweden: Racisms, Racialized Spaces, and the Popular Geographical Imagination** Allan Pred  
Allan Pred writes compellingly about the reawakening of racism throughout Europe at the end of the twentieth century—even in Sweden, a country widely regarded as the very model of social justice and equality. Many thousands of non-European and Muslim immigrants and refugees who took advantage of Sweden's generous immigration policies now find themselves the object of discrimination and worse.

Through the cascading juxtaposition of many voices, including his own, Pred describes the intensifying cultural racism of the 1990s, the proliferation of negative ethnic stereotypes, and the spatial segregation of the non-Swedish. He quotes the newspaper *Dagens Nyheter*: "It is high time that Sweden reconsider its self-image as the stronghold of tolerance" (July 21, 1998), and analyzes the strategies that allow people to maintain that self-image. Perhaps the greatest strength of *Even in Sweden* is that Pred gives to the social consequences of global economic restructuring some very specific faces and places and a multitude of expressions of human will, both ill and good.

#### **Jeffrey Baptiste:**

As a student exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Even in Sweden: Racisms, Racialized Spaces, and the Popular Geographical Imagination can make you experience more interested to read.
