The 5 Love Languages Singles Edition Gary D Chapman

This simple concept can revolutionize *all* your relationships!

"Nothing has more potential for enhancing one's sense of well-being than effectively loving and being loved. This book is designed to help you do both of these things effectively." -Gary Chapman

With more than 10 million copies sold, *The 5 Love Languages*® continues to strengthen relationships worldwide. Although originally crafted with married couples in mind, the love languages have proven themselves to be universal, whether in dating relationships or with parent, coworker, or friend relationships.

The premise is simple: Different people with different personalities express love in different ways. Therefore, if you want to give and receive love most effectively, you've got to learn to speak the right language.

The 5 Love Languages® *Singles Edition* will help you . . .

- Discover the missing ingredient in past relationships
- Learn how to communicate love in a way that can transform any relationship
- Grow closer to the people you care about the most
- Understand why you may not feel loved by those who genuinely care about you
- Gain the courage to deeply express your emotions and affection to others

Includes Personal Profile assessments and a study guide
