The Chakras C W Leadbeater

Chakra (Sanskrit, "wheel") refers to the ancient Hindu concept of seven vortices of energy located on the spine from the tailbone to the crown of the head. These centers define the physical and spiritual contact points in the human body. In yoga they are bridges to higher consciousness symbolizing the journey from the material world to the divine. Alternative-medicine healers recognize them as a dynamic resource for health.

First published in 1927, this pioneering book by famed clairvoyant C. W. Leadbeater was the first to introduce the chakras to the West. With great clarity, he explains what each chakra means regarding our well-being, insight, and personal power, his color illustrations showing the chakras as they actually appear to those who can see them. Anyone can perceive the chakras, he says. We must merely become sensitive to vibrations finer than those to which we normally respond

The book has sold hundreds of thousands of copies and remains a classic. The new material by Anodea Judith and Kurt Leland emphasizes its relevance for today.

From reader reviews:

Linda Poteat:

The book The Chakras make one feel enjoy for your spare time. You may use to make your capable much more increase. Book can to get your best friend when you getting pressure or having big problem together with your subject. If you can make examining a book The Chakras to be your habit, you can get considerably more advantages, like add your own personal capable, increase your knowledge about a number of or all subjects. It is possible to know everything if you like open and read a e-book The Chakras. Kinds of book are several. It means that, science e-book or encyclopedia or other people. So , how do you think about this guide?

Tim Walton:

This The Chakras book is not really ordinary book, you have it then the world is in your hands. The benefit you obtain by reading this book is information inside this reserve incredible fresh, you will get details which is getting deeper anyone read a lot of information you will get. That The Chakras without we know teach the one who reading through it become critical in imagining and analyzing. Don't always be worry The Chakras can bring when you are and not make your case space or bookshelves' become full because you can have it in your lovely laptop even phone. This The Chakras having excellent arrangement in word in addition to layout, so you will not really feel uninterested in reading.

Brian Hill:

This The Chakras is brand-new way for you who has fascination to look for some information as it relief your hunger of knowledge. Getting deeper you in it getting knowledge more you know or you who still having little digest in reading this The Chakras can be the light food for you personally because the information inside this kind of book is easy to get through anyone. These books produce itself in the form which is reachable by anyone, that's why I mean in the e-book web form. People who think that in reserve form make them feel drowsy even dizzy this book is the answer. So there is absolutely no in reading a reserve especially this one. You can find actually looking for. It should be here for anyone. So , don't miss the idea! Just read this e-book sort for your better life in addition to knowledge.

Danilo Ernest:

That book can make you to feel relax. This book The Chakras was vibrant and of course has pictures on there. As we know that book The Chakras has many kinds or variety. Start from kids until adolescents. For example Naruto or Detective Conan you can read and believe that you are the character on there. Therefore not at all of book tend to be make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book for you and try to like reading that.
