If you've ever heard about how beneficial bone broth can be and wanted to learn more about this amazing food, you need look no further than this amazing Bone Broth Bible. The Bone Broth Bible is the most definitive work on bone broth. Within the pages of this informative and educational book you will learn how bone broth can help you to: Lose Weight Heal a "Leaky" Gut Fight Infections Prevent Degenerative Diseases Reduce Joint Pain Fight Inflammation and Save You Money This book is short and to the point, getting right to the heart of the matter. You will learn why there are so few studies being published about the awesome benefits of bone broth and why your doctor may not have "mentioned" this super-food. The author takes you through the basics of what is in bone broth that gives it its almost miraculous healing properties and exactly how each of the "special" ingredients works with your body to prevent illness, increase agility and basically to live a longer healthier life. Not only will you learn all of the awesome benefits of bone broth, but this book will explain exactly how to prepare your own bone broth, saving you money that you would have to spend for organic bone broth in a specialty store, or from getting inferior bone broths that may have added ingredients that could actually harm you. The end of this book contains a few recipes that are out of this world, but as the author points out, the recipes are meant as "guides" to coax you toward creating your own "culinary masterpieces". The author takes the time to not only explain how to prepare some delicious soups, stews, gravies and demi-glace, but also instructs you on how to go about improving the recipes and adding your own flair. You have never read a book like this, and after you have read it, I guarantee you are going to be very glad you did. You might want to read it several times, just to make sure the information really sinks in. Once you have read this and absorbed the information, you can consider yourself an expert on bone broth, how to make it, what it does and how to use it to make your own breathtakingly delicious soups, stews and gravies. So, if you ever wanted to really know about bone broth and if you want to start making bone broth soups and stews to improve your health, energy and even your life expectancy, scroll back up to the top of this page and BUY this book Now! It just may be the most life-changing decision you will ever make!!!
