This short story collection features four stories of love and romance found by eight men in New York City, all discovering that passion and love can exist cohesively with their busy careers.

**LEAD ME INTO TEMPTATION** - Clancy O'Brien, Texas-bred PR guru, is a fixer to the stars. His reputation for squashing rumors and spinning stories ushers a young boy-band star, Krystian Gael, into his life seeking help following a career-breaking photo leak. Clancy uses his expertise to free Krystian from his image and they soon discover that he needs to come to terms with more than he is willing to let the world know.

**A THING OF BEAUTY** - Ten years ago, Finn Callahan fled following a violent attack on he and his then lover, Rob. Now, Finn is a successful author in New York City and comes face-to-face with the man he'd left behind. Can the wounds of their sordid past be healed after years of heartache and absence?

**LOVE IN NEW YORK** - Acclaimed architect, Jason, is every woman's dream. That is, until Gavin, a gorgeous law school student from the local coffee shop, garners his attention and a romance brews. This relationship smolders as the two discover each other and pursue more than a friendly exchange.

**NO REGRETS** - Graphic artist, Vince, has a troubled mind. His long-time lover just packed and left to find himself in Tibet, but he can't let the loss interrupt his work. He's creating a cover for a new cookbook written by the handsome Italian chef and restaurant owner, Roderick Vincelli. The talented chef unashamedly flirts with Vince, eliciting shock waves that render him defenseless against the Italian charmer.
