We believe that the hands-on word sorting approach to word study is invaluable to you and your students.

These stage-specific companion volumes to *Words Their Way® : Word Study for Phonics, Vocabulary, and Spelling Instruction* provide a complete curriculum of reproducible sorts and detailed directions for the teacher working with students in each stage of spelling development, from emergent through derivational relations.

**NEW!** All second editions boast

- Literature Connections making links between features being studied and valuable children's literature
- Targeted Learners sections that clarify which students will benefit most from the instruction
- Spell Checks and other Assessments available more frequently throughout
- High Frequency Words receive special attention

Designed to help teachers working with transitional readers in the within word pattern stage of spelling development (Grades 1 — 4), the sorts in this companion volume help students begin contrasting long and short vowels and sorting words by grammatical and semantic features. The book begins by reexamining short- and long-vowel sounds with picture sorts, moving on to word sorts to thoroughly examine vowel patterns and assess students' understanding of short- and long-vowel patterns. The text moves on to diphthongs and other ambiguous vowel sounds, and finally to complex consonants and consonant clusters, contractions, inflectional endings and homophones.
