## **Growing Mushrooms for Profit** Suzanne Kilby, Warren Kilby

A comprehensive guide with 23 full-color photos. This book was developed to assist the mushroom growing hobbyist, small grower and those who are contemplating growing mushrooms, in developing the planning skills needed from start-up stage through the growth stages of a profitable mushroom farming business. This book will make it easier for growers to better express themselves on paper and prepare professional planning documents for investors and others to evaluate.

The second part of the book deals with the details of constructing a workable farm from groundbreaking to completion.

Part three includes chapters that will teach you how to successfully market your mushrooms, plus industry standards and reliable references and sources.
