## **Invitation to the Life Span** Kathleen Stassen Berger

Edition after edition, Kathleen Stassen Berger's bestselling textbooks connect all kinds of students to current state of developmental psychology, in an engaging, accessible, culturally inclusive way. Berger's *Invitation to the Life Span* does this in just 15 concise chapters, in a presentation that meets the challenges of exploring the breadth of the life span in a single term.

The new edition of *Invitation to the Life Span* incorporates a wide range of new research, especially in fast-moving areas such as brain development and psychopathology, while taking advantage of innovative new tools for media-centered teaching and learning. But throughout, as always, the signature voice of Kathleen Berger ties it all together, with relatable explanations of scientific content, wide ranging cultural examples, and skill-building tools for sharper observation and critical thinking.
