## **Technologies for Advanced Heterogeneous Networks: First Asian Internet Engineering Conference, AINTEC 2005, Bangkok, Thailand, December 13-15, 2005, ... Networks and Telecommunications)**

The Asian Internet Engineering Conference (AINTEC) brings together researchers and engineers interested in practical and theoretical problems in Internet technologies. The conference aims at addressing issues pertinent to the Asian region with vast diversities of socio-economic and networking conditions while inviting high-quality and recent research results from the global international research community. The first event was jointly organized by the Internet Education and Research Laboratory of the Asian Institute of Technology (AIT) and the WIDE Project with support from the APAN-TH community. In response to the recent natural disaster in Asia, AINTEC 2005 solicited papers, among other things, on the survival of the Internet in order to provide alternative means of communication in emergency and chaotic situations. The main topics include: Mobile IP Mobile Ad Hoc and Emergency Networks Multimedia or Multi-Services IP-Based Networks Peer-to-Peer Measurement and Performance Analysis Internet over Satellite Communications There were 52 submissions to the Technical Program, and we selected the 18 papers presented in these proceedings. In addition, we have three invited papers and one invited position paper by leading experts in the field. Finally, we would like to acknowledge the conference General Chair, Kanchana Kanchanasut of AIT, and the Local Organizers team from AIT, namely, Pensri Arunwatanamongkol, Withmone Tin Latt and Yasuo Tsuchimoto, for organizing and arranging this conference. We are also grateful to the French Ministry of Foreign Affairs through its French Regional Cooperation and the ICT Asia project (STIC-ASIE) for providing travel support.

**From reader reviews:**

**David Chambers:**

The particular book Technologies for Advanced Heterogeneous Networks: First Asian Internet Engineering Conference, AINTEC 2005, Bangkok, Thailand, December 13-15, 2005, ... Networks and Telecommunications) will bring that you the new experience of reading a new book. The author style to describe the idea is very unique. If you try to find new book you just read, this book very suited to you. The book Technologies for Advanced Heterogeneous Networks: First Asian Internet Engineering Conference, AINTEC 2005, Bangkok, Thailand, December 13-15, 2005, ... Networks and Telecommunications) is much recommended to you you just read. You can also get the e-book from official web site, so you can more readily to read the book.

**John Ashton:**

The reason? Because this Technologies for Advanced Heterogeneous Networks: First Asian Internet Engineering Conference, AINTEC 2005, Bangkok, Thailand, December 13-15, 2005, ... Networks and Telecommunications) is an unordinary book that the inside of the publication waiting for you to snap this but latter it will shock you with the secret the idea inside. Reading this book next to it was fantastic author who have write the book in such amazing way makes the content within easier to understand, entertaining method but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of benefits than the other book have such as help improving your proficiency and your critical thinking method. So , still want to hold off having that book? If I were being you I will go to the reserve store hurriedly.

**Roger Waldrop:**

Do you like reading a guide? Confuse to looking for your chosen book? Or your book ended up being rare? Why so many issue for the book? But any kind of people feel that they enjoy with regard to reading. Some people likes reading through, not only science book but additionally novel and Technologies for Advanced Heterogeneous Networks: First Asian Internet Engineering Conference, AINTEC 2005, Bangkok, Thailand, December 13-15, 2005, ... Networks and Telecommunications) or maybe others sources were given information for you. After you know how the fantastic a book, you feel desire to read more and more. Science guide was created for teacher or perhaps students especially. Those publications are helping them to increase their knowledge. In some other case, beside science reserve, any other book likes Technologies for Advanced Heterogeneous Networks: First Asian Internet Engineering Conference, AINTEC 2005, Bangkok, Thailand, December 13-15, 2005, ... Networks and Telecommunications) to make your spare time more colorful. Many types of book like this.

**Tara Gamboa:**

A lot of reserve has printed but it is different. You can get it by internet on social media. You can choose the top book for you, science, comedian, novel, or whatever by searching from it. It is referred to as of book Technologies for Advanced Heterogeneous Networks: First Asian Internet Engineering Conference, AINTEC 2005, Bangkok, Thailand, December 13-15, 2005, ... Networks and Telecommunications). You'll be able to your knowledge by it. Without causing the printed book, it could add your knowledge and make an individual happier to read. It is most important that, you must aware about e-book. It can bring you from one spot to other place.
