## **The Swimmer: A Novel** Joakim Zander

A deep-cover CIA agent races across Europe to save the daughter he never knew in this electrifying debut thriller—an international sensation billed as “*Homeland* meets Stieg Larsson” that heralds the arrival of a new master sure to follow in the footsteps of Stieg Larsson, John Le Carré, and Graham Greene.

*In the end, you cannot hide who you are.*

Klara Walldéen was raised by her grandparents on a remote archipelago in the Baltic Sea, learning to fish and hunt and sail a boat through a storm. Now, as an EU Parliament aide in Brussels, she is learning how to navigate the treacherous currents of international politics: the lines between friend and enemy, truth and lies.

But Klara has accidentally seen something she shouldn't have: a laptop containing information so sensitive that someone will kill to keep hidden. Suddenly, she is thrown into a terrifying chase across Europe, with no idea who is hunting her or why.

Meanwhile, in Virginia, an old spy hides from his past. Once, he was a man of action, an operative so dedicated that he abandoned his infant daughter to keep his cover. Now, he is the only man who can save Klara . . . and she is the only woman who can allow him to lay old ghosts to rest.
